Montréal 2027 Worldcon Advertising Information

The World Science Fiction Convention (Worldcon) Souvenir Book serves as a source of reference for attendees and provides a memento of the event, ensuring that advertisements will be seen repeatedly over an extended period. The Montréal 2027 Worldcon Souvenir Book will be a glossy, full-color publication which typically features significant advertising content from professional, semi-professional and fan organisations. It is traditionally the key Worldcon publication and is widely read and collected (usually in libraries around the world as well as by SF fans). We offer advertising opportunities in the Souvenir Book with a range of sizes from full page to business card (monochrome ads will be printed in CMYK for added depth). We do not charge extra for colour. Payment for any advertising should be made by credit card, checque or a bank transfer into our bank account. We will issue you an invoice for the advertisement with payment instructions.
